

Christine Petti, MD, FACS

Specializing in Aesthetic Surgery | Web: www.dr-petti.com | social: @drchristinepetti

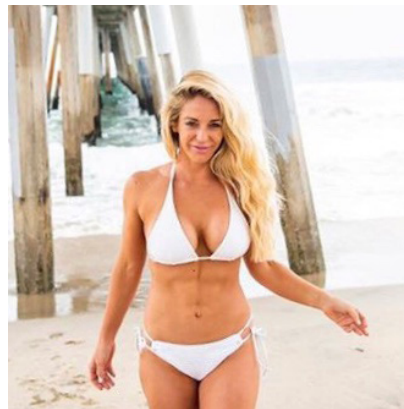

📍 BEVERLY HILLS, CA

Breast surgery is an artistic blend of anatomy, geometry, symmetry and feminine beauty. This is my forte and love.

📍 RANCHO PALOS VERDES, CA

Beautiful Bravo, my Siberian husky, is my companion who inspires me to maintain the health of my body & spirit

📍 HERMOSA BEACH, CA

Beauty, strength & confidence that is life changing is my professional goal for each of my patients
